Dear Friends and Members of the Community,

After 30 years of practicing medicine in our community I will be retiring from private practice. This decision comes with mixed emotions – deep gratitude for the privilege of caring for so many wonderful patients and genuine sadness as I step away from the day to day opportunities to help those who have trusted me with their help.

My practice will be closing on April 30th. I encourage you continue your medical care without interruption and to establish care with another physician who can support your ongoing health needs. Attached below is a list of local providers whom you can call.

Medical records will be available through Morgan Medical Records Management. Contact information for medical records request for patients is the following:

Telephone (833) 888-0061.
